"Terrific Tulips Watercolor Workshop"

It doesn't seem possible we are already looking to the new year of art education! I am so looking forward to all the exciting times we have coming together to explore our passion for the expression of art.

I have a number of classes coming soon. One of them will be the "Terrific Tulips Watercolor Workshop" pictured above. I will be teaching the workshop in Idaho and Oregon. It has been a very successful class. If you have taken it before feel free to sign up again and I will have a different tulip for you to paint. I will be teaching step-by-step painting techniques on the tulip and demonstrate how you will mount the tulip on a board painting when you finish it. (Board is included in the workshop).

Take a look at other classes coming to your area and we will paint together soon!
